**IRB Approval #**

Approval date: \_\_/\_\_/\_\_

### Reason for Service Request

Enter very brief description

**Upload IRB Approval Document**

*Once uploaded, the document name will appear below*

## Integrated Data Repository - Application for Translational Data

To request a new Data Request for the same study/criteria, you may change the parameters below and click submit.

Create New Data Request  YES  NO/Close Window

Data Request #

Project Title

*To obtain patient data IRB approval is required*

IRB approved  YES  NO

If Yes:  Full review  Expedited review  Exempt

*If animal study please enter the following:*

Upload IRB approval document

Upload IACUC approval document

IRB approval #

IACUC approval #

Approval date:

Approval date:

*Once uploaded, the document name will appear below*

*IRB / IACUC Approval Document.doc*

**Contact Information** (auto populated from SR page)

Requester Name:

Phone:

Email:

Address & Affiliation:

*Cut and paste research abstract*

EDITABLE FIELD

**Study Criteria** *Please identify parameters of study criteria to be included in the request*

Criteria	Parameters
Criteria is read-only	User can change parameter details here, i.e. age range, lab values, etc.

*Request will be evaluated upon submission*
