

Events Home

Welcome to the i2b2 Events home page!

In this space you will find information on the various i2b2 meetings, and learning sessions held by the i2b2 Foundation as well as members of the i2b2 Community. The conferences and meetings are organized into one of the following categories:

[AMIA Conferences](#) | *i2b2 Sessions and presentations held at one of the AMIA conferences*

[Educational Seminars](#) | *Webinars presented by members of the i2b2 Community*

[AUG Conferences](#) | *Information and presentations on the annual i2b2 AUG / SHRINE Conference*

Please let us know of any upcoming events that would be of interest or beneficial for other i2b2 users to attend.
