

6.6.1.1 Add a New Project

Steps to Add a New Project

The following steps outline the process of adding a new project in the i2b2 Administration Module.

Assumption: The following steps assume you are already logged into the i2b2 Administration Module. If you do not know how to login please see the chapter titled *i2b2 Administration Module Install*.

1. In the Navigation panel, click on **Manage Projects**.
2. The *Project Summary* page will display on the right.

3. On the Project Summary page click on **Add New Project**.
4. The **Project Data** page will display.

Project ID:

Project Name:

Project URL:

Project Key:

Project Description:

Project Path:

Save Cancel

5. Enter the project information and click on **Save** to save the project.
6. The project will be added to the list of projects on the *Project Summary* page.
7. In the Navigation panel click on **Manage Projects** to refresh the hierarchical tree and display the new project.
