

User Interface Working Group

Welcome to the i2b2 tranSMART User Interface Working Group space!

The i2b2 tranSMART User Interface Working Group is a joint working group for the i2b2, tranSMART, and i2b2-tranSMART platforms. The focus of this group is to

- Solicit, collect, and combine user interface issues, suggestions, and pain points from the community to inform the design of the continually evolving user interfaces of i2b2 and tranSMART
- Provide user-centric view to inform software design and development for i2b2 and tranSMART
- Provide user interface guidelines to ensure UI consistency across plug-ins
