

babel - the Greater Plains Collaborative i2b2 terminology service

[babel|<http://babel.gpcnetwork.org/>] is the GPC terminology alignment service. We have loaded terms from i2b2 services from all 10 of the [GPC DevTeams](#).

The Greater Plains Collaborative (GPC) is a new network of 10 leading medical centers in 7 states committed to a shared vision of improving healthcare delivery through ongoing learning, adoption of evidence - based practices, and active research dissemination.
