Download the JAR File for CRC Test Plug-in

The following steps outline how to download the JAR File for the CRC Test Plug-in.

1. In the table above, click on the name of the JAR file you want to download.
2. The **Download** page will open. At this point, if you are not already a registered user you will need to do so. If you are a returning user you can click on the **file download** link.

> # Download
>
> New users: please register before downloading the file.
>
> Returning users: continue with the file download.

3. The next step is to review the i2b2 license and choose to either accept or decline.
   a. If you choose to **Decline** you will be brought back to the main i2b2 Software page.
   b. If you agree with the license click on **Accept** to continue with the download.

4. The **Save dialog box** will open.
5. Click on the **Save** button and the zip file will be saved to your *Download folder*.

> ✅ Depending on your browser and it's version you may need to select a target directory to save the zip file.

6. Once the file has finished downloading open your *Download folder*.
7. Move the zip file into a target area of your choice.
8. Extract the files in the zip file.

> ⚠️ Make note of the location where you extracted the files to as you will need this information when adding the JAR file to the i2b2 Workbench.
