IDRT Projekt Homepage(s)

Additional informations about the IDRT projects (partly in German):

- IDRT1
- IDRT2

Reporting Bugs

If you wish to report any bugs, please visit the IDRT github page, navigate to the respective tool and open a new Issue.

It would be much appreciated if you fill out the title and comment text with as much information as you have.

Please also provide an image (if possible) of the bug you encountered.

i2b2 Wizard

Please report any issues or bugs via e-mail to sebastian.mate@fau.de
