

## 3.5 Next Steps

### Steps Completed

The following steps were completed during this chapter on installing the i2b2 Workbench.

#### **Install i2b2 Workbench Chapter**

- Extracted the i2b2 Workbench files
- Configured the Workbench properties
- Updated the Workbench properties file with the hive location
- Updated physical memory (*Windows only and optional step*)
- Verified installation
- Able to log into the i2b2 Workbench
